Dear Secretary of the State of Georgia,

In early March, 2015, I attempted to renew our online registrations for our corporation and our LLC. After several attempts and subsequent failures based on error messages from your online registration process, I then tried to locate the filing forms for printout and mailing through the USPS. My attempts to find the forms also failed and I had to move on to other business tasks.

Subsequently, I have time in my schedule again to dedicate to this task and still, cannot easily navigate your website as I have done in past years, nor can I find the forms for printing.

Please accept our company checks to pay for formal renewals of and any applicable fees for the following entities:
